Taught students about editions and importance of registration and accomplishing many layers in uniform orientation. Assisted other artists in their crafts including papermache, pinhole cameras, and larger than life sculptures.

## INTERNSHIP

SUMMER 2010

Workshop, Inc. with Lou Stovall--Washington D.C.

Assisted Master Printer Lou Stovall in his silkscreen printing process and learned that attention to detail and a superior level of perfection is essential to printing. Produced and designed original prints utilizing traditional silkscreen processes. Dedicated hours of careful extraction of patterns from stencils by hand using an exacto knife. Printed using oil-based inks in an effort to produce extremely rich chroma and great value. Learned the management skills needed to run and operate a small company.
